TechOnPurpose™

CLOUD SOLUTIONS

GET YOUR HEAD IN THE CLOUD!

- Start-ups leverage cloud technology to get to market quicker with scalable and affordable cloud technologies.
- Mature organizations are rapidly reaching new markets, customers and revenue with greater reach and decreased expense in the cloud.
- 85% of SMBs believe cloud technology enablers faster scale & growth.

77% of businesses utilize cost savings and efficiency as their top KPI for measuring cloud adoption. (Flexera, 2020)

START HERE - WE GOT THIS!

It's nearly impossible to operate your business without being in the cloud. How else can you keep up with skyrocketing customer expectations and competitive pressures?

But the cloud isn't a destination, it's a journey - and starting with a strong guide can be the difference between success or costly disaster.

SINK OR SOAR?

We help our clients choose, deploy, secure and maintain cloud services everyday.

From simple productivity apps like Microsoft 365 & Google, to more complex tasks like BYOD management or virtual cloud servers & computing - there's a secure cloud solution that's just right for your business - and we're here to help you fly high!

SECURE. RELIABLE. TRUSTED!

SIMPLIFYING YOUR CLOUD JOURNEY

START HERE → GO THERE

Chances are, portions of your business are already in the cloud, but is your cloud secure? Are you getting the most out of your cloud investment? Are you realizing increased productivity & revenue while minimizing operating expenses?

TechOnPurpose (TOP) helps you to simply navigate the "chaos of cloud" to choose the most secure, reliable and trusted cloud services - what you need, where you need it - wherever you are - full steam ahead!

WE'VE GOT AN APP FOR THAT

At TechOnPurpose we design, sell, deploy, and supports all of today's leading software-as-a-service (SaaS) cloud applications including Microsoft 365, Google Workplace, Google Cloud and Zoom – just to name a few.

Need to manage inventory? Secure your devices and infrastructure, or manage mobile devices? We've got a cloud app for that!

Need a new domain, website, cloud cameras, or centralized Identity & Access Management platform? We've got an app for that!

1..2..3...GO TOP CLOUD!

Browse to our cloud page, email or call today to speak with a TechOnPurpose cloud specialist near you. Our team can help assess your current environment, challenges and goals, and provide a comprehensive list of options to keep your team connected and productive - anywhere.
