TechOnPurpose™

PARTNER PROGRAM

WHY Partner with TOP?

TechOnPurpose™ truly delivers on the promise of "Trusted Partnership," with comprehensive, profitable, turn-key managed services for your SMB, NPO and Mid-Market clients.

Referral Partner

For companies or individuals that refer business to TechOnPurpose, we offer a Referral Partner program where we will share commissions on referred leads that we close. We handle the billing, delivery and support – you bring the right technology to every opportunity!

Reseller Partner

Our Reseller Partners are able to resell TechOnPurpose services to their clients, in a white label/OEM model as desired. We deliver the services, you bill the client, we answer the support line and e-mails – you're in control!

Services Partner

We have a long history of providing white-label implementation, project management, and support services for partners, equipment manufacturers, service providers – even competitors. Leverage our world-class team and experience.
